REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The art considered as a whole, alone or in combination, neither anticipated nor renders obvious the claimed handle extension having a shaft configured for attachment at one end thereof to a hand tool by way of a clamp arrangement having at least two sides which are spaced apart at one end from receiving a portion of the tool, and connected to one another at the other end, wherein said clamp arrangement surrounds a portion of the tool, such that, in use, a longitudinal axis of said shaft extends in substantially the same direction as that in which the hand tool drives fasteners.
